APRIL 1985

THE TICKET FOR ALL OCCASIONS

Master Rider is a new ticket designed for your convenience to make regular bus travel easy. With just one Master Rider ticket you can travel whenever you like for up to a whole year on the bus routes of Southdown, Hastings & District and Brighton Borough Transport.

There's a Master Rider ticket to suit you

Master Rider is available in four versions for 1 week, 4 weeks, 13 weeks or 1 year and can be used as a holiday 'freedom' ticket or a period season ticket. During the time that your Master Rider ticket is valid you may travel as often and as far as you like, changing buses when and where you like.

Let Master Rider show you the countryside

A weekly Master Rider is great value for 7 days holiday travelling. Use it to discover the beauty of the South of England with its wonderful scenery, charming villages and places of special historic interest. The weekly ticket is especially good value because apart from Southdown, Hastings and Brighton buses it is also valid on the routes of many neighbouring NBC companies, which means you can travel even further afield. You can also use your Master Rider on the Southdown weekly Stagecoach services which means you can reach all the following places without changing buses; Salisbury, Service 710; Southend 715; Canterbury 718; Cambridge 719; Reading 736 and Oxford 738 and 739.

Save time and money with Master Rider

Instead of buying a ticket everyday to travel to and from work why not get a Master Rider - not only will it save you time and trouble on your regular bus journeys, it will also mean any extra trips you make in the evenings or at weekends are already paid for. Take trips to the shops with no worries about parking or let someone else do the driving and have a day out on Sundays - your Master Rider makes it all so easy.
